**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition.

I was an AT&T DSL customer for years. I was thrilled when Sonic became available and provided fiber connectivity! The price point is better than AT& T which now is starting to provide fiber in my area. And Sonic customer service is 2nd to none. AT&T customer service is severely lacking.

We are retired now and must live within a budget, so price hikes for internet would not be welcome.

Thanks for listening!
